

**CITY OF PULLMAN, WASHINGTON  
CLASS SPECIFICATION**

**FIRE PREVENTION OFFICER**

**3105**

GENERAL PURPOSE: Performs investigations to determine primary cause and origin of fires and secure compliance with fire prevention codes, laws, and standards through plan reviews, inspections, and code enforcement.

CLASSIFICATION SUMMARY: Under the direction of the Fire Chief, supervises the activities of the Bureau of Fire Prevention. Serves as primary cause and origin investigator for the Pullman Fire Services. Secures compliance with fire prevention codes, laws, and standards through plan reviews, inspections, and code enforcement. Designs and implements public fire safety education programs and classes for the general public, community groups, schools and other institutions. This position interacts extensively with the public. Direct supervision of line personnel is not a function of this position. Supervises reserves and line firefighters when temporarily assigned to the Bureau of Fire Prevention to provided additional personnel for fire investigations, inspections, or other activities directly under the control of the Bureau of Fire Prevention. Works in conjunction with the Operations Officer regarding activities that affect line personnel.

ILLUSTRATIVE EXAMPLES OF ESSENTIAL DUTIES AND RESPONSIBILITIES:

Plans, organizes, coordinates, directs, and evaluates personnel and operations with respect to all Bureau of Fire Prevention activities throughout the City of Pullman.

Serves as the primary fire cause and origin investigator for the Pullman Fire Services.

Establishes policies and procedures in order to enforce the Uniform Fire Code and directives from the Fire Chief.

Interprets Uniform Fire Code and Standards, State and City Codes as adopted by the city and answers inquiries from contractors, builders, architects, engineers, business owners, homeowners and the general public.

Enforces Uniform Fire Code, appropriate sections of the City Code, State and National Fire Prevention Association Codes and Standards throughout the City of Pullman. Enforcement is through direct contact, letters, issuance of special notices, and Notice of Infraction citations.

Checks site, building, fire suppression, fire notification, and specialized plans for compliance with the Uniform Fire Code, State and City Codes as adopted by the city.

Provides acceptance inspections for sprinkler systems, fire alarm systems, fire suppression systems, and other specialized inspections as required by the Uniform Fire Code.

Inspects construction projects/sites, existing structures, and remodel sites for compliance with the Uniform Fire Code and other applicable codes. Resolves compliance problems with contractors, builders, architects, engineers, business owners, homeowners and the general public.

Administers the Occupancy Survey Program, a maintenance inspection program, performed by line personnel for existing buildings and other properties to eliminate fire hazards.

Responsible for the planning, coordination, and execution of yearly Sorority and Fraternity housing inspections. Acts as the liaison between the Bureau of Fire Prevention and Washington State University (Vice Provost of Student Affairs, Director of Residence Life, and Coordinator(s) of Greek Affairs).

Responsible for initiating an investigation and report on all malfunctioning and false fire alarms responded to by the Pullman Fire Services.

Responds to complaints regarding fire code violations and fire hazards.

Prepares and submits to the Fire Chief the Annual Report regarding the Bureau of Fire Prevention activities for the year.

Meets with other fire officials, elected or appointed officials, community and business representatives and the public on various aspects of the Bureau of Fire Prevention activities.

Prepares, monitors, controls expenditures, and assures compliance with established fiscal policies of the city for the Bureau of Fire Prevention budget.

Provides public education related to fire prevention fields to the City of Pullman community. This includes giving talks, demonstrations, and presentations before community groups, schools, and other organizations/institutions.

Prepares written correspondence to communicate fire protection, prevention, and public education practices so that the correspondence is concise, accurately interprets applicable codes and standards, and is appropriate for the intended audience.

Maintains data and records regarding the Bureau of Fire Prevention and other activities as assigned.

Instructs classes in assigned subject areas.

Assist in other department activities as assigned.

Attends work on a regular and dependable basis.

Interacts in a professional and respectful manner with city staff and the public.

OTHER JOB FUNCTIONS: Performs other tasks as assigned.
